

## Manufacturer's Certification Statement Energy Policy Act of 2005 Therma-Tru Residential Entry & Patio Doors

Therma-Tru Corporation is a manufacturer of Residential Steel and Fiberglass Entry and Patio Door Systems, headquartered at 1750 Indian Wood Circle, Maumee, Ohio, 43537. Therma-Tru Entry Door Systems are Eligible Building Envelope Components that may qualify for the federal income tax credit allowed under the Internal Revenue Code, Section 25C. Please check the requirements below to see which entry products qualify for the Energy Policy Act of 2005.

Virtually all Therma-Tru Residential Entry Doors, Sidelites and Patio Doors including **Classic-Craft®**, **Fiber-Classic®**, **Smooth-Star®**, **PDF™**, **Profiles™** and **Traditions™** brands qualify for the tax credit **except** for the following:

- **Transoms** (glass above the door) do **NOT** qualify for the tax credit.
- **ProEdge™ Doors** do **NOT** qualify for the tax credit.
- All products with **single-pane clear glass** do **NOT** qualify for the tax credit.
- All products with screen vented glass do **NOT** qualify for the tax credit.
- Doors with **glass larger than 1,100 square inches without Low-e** type glass do **NOT** qualify for the tax credit.
- All **sliding patio doors** do **NOT** qualify for the tax credit.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.

A handwritten signature in black ink, appearing to read "K Fink".

Klaus Fink  
Director – Research & Development

Taxpayer is not required to attach the manufacturer certification statement to their return. Taxpayers should however retain this certification statement as part of their tax records. As in all tax matters, the taxpayer is advised to consult their tax professional.
